THE MEDICAL CARE WORTH TRAVELLING FOR

EXPLORE OUR COMPREHENSIVE CARE

altoamt.com

ABOVE-STANDARD MEDICAL TREATMENT

Our medical technologies, state-of-the-art facilities and personalized treatment guarantee the highest level of care and a family-like atmosphere for our clients. In addition to our commonly provided treatments, we also offer specialized procedures to meet unique patient needs.

REHABILITATION

Rehabilitation programs are designed by combining individual treatments and active movement.

ORTHOPAEDICS

We provide all common procedures, with a particular focus on arthritic joint replacements in hips and knees.

DIAGNOSTICS

A comprehensive array of preventive and diagnostic examinations intended to evaluate your overall health.

PLASTIC SURGERY

We utilize the latest trends and the highest quality materials in order to provide the best possible aesthetic results.

GENERAL SURGERY

A wide range of surgical procedures with a focus on patient-centered treatment.

PROSTHETICS

Custom-made orthopaedic prostheses for lower and upper limbs to regain patient's mobility.

DNA TESTING

Our comprehensive DNA test offers you clear information on how to take preventive care of your health.

ONCOLOGY

We provide advanced and highly effective radiotherapy treatment for individuals diagnosed with prostate cancer.

STOMATOLOGY

A range of dental services tailored to meet the needs of both children and adult patients.

ASSISTED REPRODUCTION

Assisted reproduction is tailored to every couple's needs according to both the patient's health condition and personal requests.

PSYCHIATRIC CARE

Comprehensive support and guidance to individuals on their journey towards mental well-being.
